

PRIVACY POLICY

1. Collection of information

We collect information when you visit our site, when you make contact through our form, or when you enter a contest. We collect the general details of the user, that is to say, his name, surname, company name, full address, telephone, email address and information specific to the services for which you are requesting us.

In addition, we automatically receive and store information from your browser, including your IP address and the page you request.

2. Use of information

The primary purpose of this collection is to be able to respond to your requests for information about our products and services (contact request, price request, quote request, request for general information).

Any information we collect from you may be used for:

Customize your experience and meet your individual needs

Provide personalized advertising content

Improve our website

Improve customer service and your support needs

Contacting you by e-mail

Administer a contest, promotion, or survey

We may use your information to communicate with you and consider this communication as part of our service. We may use your e-mail address and postal address to inform you of news or promotional offers that may interest you.

If you do not wish to receive these offers, you can always unsubscribe by clicking on the "Unsubscribe" link at the bottom of each email.

3. Disclosure to third parties

We do not sell, trade, or transfer your personally identifiable information to third parties. This does not include trusted third parties who assist us in the maintenance / hosting of our website, as long as these parties agree to keep this information confidential.

We believe that it is necessary to share information in order to investigate, prevent or take action regarding illegal activities, alleged fraud, situations involving potential threats to the physical security of any person, violations of our terms and conditions. use, or when the law compels us to do so.

4. Protection of information

We implement a variety of security measures to safeguard the security of your personal information. We also protect your information offline. Only employees who need to do specific work (for example, billing or customer service) have access to personally identifiable information. Computers and servers used to store personally identifiable information are kept in a secure environment.

5. Do we use cookies?

Yes. Our cookies improve access to our site and identify regular visitors. In addition, our cookies improve the user experience by tracking and targeting their interests. However, this use of cookies is in no way linked to personally identifiable information on our site.

6. Unsubscribe

We use the email address you provide to send you information and updates about your request, promotions, information about related products, and so on. If at any time you wish to unsubscribe and no longer receive emails, detailed unsubscribe instructions are included at the bottom of each email.

7. Consent

By using our site, you consent to our privacy policy
